Strap-On Silly!

My girlfriend Kerri loves to experiment. Recently, she had a strap-on craze after seeing one in a porn film.

I was wearing one, and just some high heels when she arrived at mine. She literally squealed in delight when she saw it sticking out from my crotch, then took off her coat and minidress to reveal some really girlie pink undies.

We didn't waste much time on foreplay, although she seemed to enjoy wanking the dildo. I eased her back on the couch and parted her legs, edging the toy towards her cunt. I skimmed it along her wetness, spreading it open, then pushed in, nice and slow, watching her face. Just the idea of this had got her halfway to cumming, so now I was inside her, she was in ecstasy.

Not that it satisfied her for long. She started squirming and humping against my dildo, so I got on top and moved my hips, pounding and thrusting. I squeezed my hand between us to rub her clit, and soon her breath was coming in short gasps as she clamped around the shaft.

"I love tonguing her twat when it's all swollen and sloppy"

I thought she'd cum at any second but instead she dragged herself up on to my lap, facing my feet, opening her legs to bare her clit to my fingers. As she bounced on the dildo, I strummed her to orgasm after orgasm.

I asked how it had been, expecting her to gush about it. "OK for starters," she said, so I told her to suck my dick.

She flicked a v-sign at me – cheeky little tart! – so I got on her in a sixty-nine, dipping the fake cock into her mouth. I love tonguing her twat when it's all swollen and sloppy from cumming, and she treated the strap-on like it was real. She sucked hard on the crown of it, even deep-throated it once or twice, and I felt it in my clit. Not as much as when she licked me out, but enough to give me a tingle. And the harder I sucked on her pussy, the stronger the sensations seemed.

Kerri was already twitching under me, so I took one of the toys she had lying around, just a plain dildo, and worked it over her slit before plunging it inside her. She moaned and bucked against it but kept on sucking the strap-on, letting it muffle her moans as I brought her to another cum.

And now I needed to get off too. I undid the straps, dragged the dildo out of Kerri's snatch and drove it hard up myself – only for Kerri, who looked a total, cum-spent wreck, to take over and fuck me into oblivion.

Fuck Fest

My mate Kathy's not daft. When I met her new bloke, Guy, she twigged that I liked what I saw. And the feeling was mutual. Luckily, she's not the jealous type.

Things finally occurred when they rented a holiday cottage for the weekend and invited me along. No strings, but one look at the fuck-off massive bed in the only bedroom and I knew I wouldn't be crashing on the couch that night!

I had a shower and came downstairs to find Guy and Kathy starkers and messing around – and all three of us ended up naked for pretty much the entire weekend.

Guy had a nice fit body and he'd made an effort, shaving his chest and balls and trimming his pubes to make his cock look even bigger. I was more nervous about playing around with Kathy – we're so close but we'd never slept together. But when she started to kiss me and fondle my tits, I felt the pleasure melt through me.

Guy watched us and I watched him right back, as I got into fucking his girlfriend. My hands ran over her boobs, squeezing them, then I trailed one down and slipped it between her thighs, rubbing

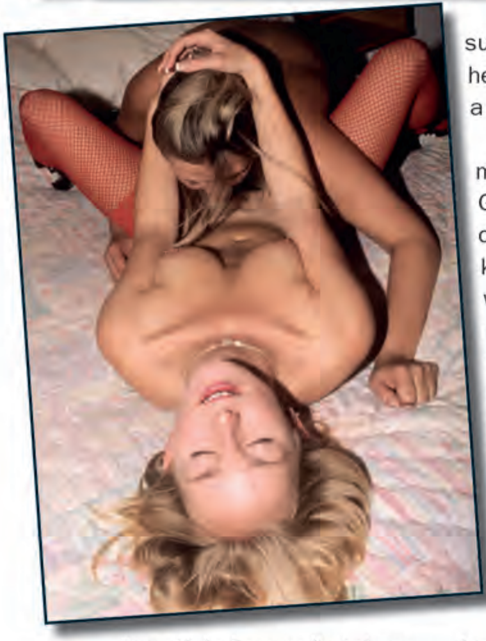
GLAMBIRDS

Although the fifties has been painted to us sex-swamped twenty-first century somethings like the consumerist, conformist decade, all plastic on the furniture and I Love Lucy, there was a darker side… especially in Los Angeles, where scandal-seeking sheets like Confidential sought out the sexy, sordid and salacious, written in riffs like that, daddio. Brit legend Linsey Dawn McKenzie's stacked like bosomy fifties star Jayne Mansfield, so fits right into this torrid tale of a press girl who'll do anything to get her story, including infiltrating a sex ring far dirtier than you ever saw in LA Confidential, which treads similar noirish ground.



her slit before curling three fingers into her pussy. My tongue was thrusting in her mouth, but I could hear his hand slapping against his cock.

I couldn't resist for long, though. I walked over, licking my fingers, making my mouth taste of Kathy's cream before I kissed Guy. He pawed at my tits, like he'd been desperate to do it since we'd met, then sucked my nipples as I helped myself to a handful – a big one – of his cock.

Kathy started fingering me from behind, then told Guy to come and get a load of my arse. Next thing I knew, he was reaming me with his tongue, rooting round in my pussy and frigging my clit with his fingers. We got into position so I could still play with his cock, and soon we wanted more.

I straddled him, sucking his prick into my snatch, splaying my thighs over his crotch. And as I rose up again I clenched hard, with my big boobs right up in his face as I rode him.

Kathy wanted a suck on them too, then she stood with her pussy in my face, angling her hips so I could lick and suck her. I'd tasted her off my hand but this was so much better, and she finally started to cum.

The wet, squeezing snatch around his cock, as well as our little fuck-show, soon had Guy cumming too. He banged up into me as I dropped my arse down, reaching back to caress his shaved balls as he emptied them up my snatch. Then I stood up, letting him play with my bum as Kathy drank his sperm out of me.

"I caressed his balls as he emptied up my snatch"

The entire weekend was a fuck-and-suckfest, and the more of Guy's cock I got, the more I wanted. I reckon he and Kathy are really well suited, but I don't doubt for a second I'll end up shagging him again, with or without her joining us.

Scott & Sam

Other blokes play football every weekend but for the last few years I've been more into martial arts, and judo in particular. During training last weekend, I'd been fighting a few others in the hall but the person who had caught my attention straight away was Samantha, a tall, stunning babe who, even with her long hair tied back and no make-up, made me feel horny. It was a pleasure tussling on the mat with her and when she got me in a hold and started wrapping those long firm thighs around me, my dick started to swell slightly as I imagined doing this naked and in a bed. I shook it off, embarrassed that she might notice.

"I readily agreed to get to grips with her body"

After our session time was up, we got talking and it turned out she was at a loose end that evening, so we went to the pub for a drink. We got on like a house on fire and after a few beers I couldn't help telling her how turned on I'd got when we were sparring. Luckily Sam took this as a compliment and invited me back to her flat for a coffee, although I hoped I'd be getting a lot more!

After a couple of drinks, Sam said she wanted to run through a hold the trainer had shown us earlier that evening. Knowing that I'd

have to get to grips with that lovely body again I readily agreed.

Sam moved the sofa out of the way and grabbed me around the waist and the shoulder. She was pretty strong but I attempted to defend myself and assumed the position. Seconds later, I was flat on my back with Sam on top of me and her legs wrapped around my waist. I couldn't move as she had my arms entwined with her own. Our faces were inches apart and seeing her lips part slightly as she panted from the exertion was too much for me and I kissed her. She snogged me back forcefully and gripped me tighter between her thighs, my stiffening dick bulging against her crotch as her tongue snaked further into my mouth.

Moments later, Sam was back on her feet leaving me in a crumpled mess on the floor. She pulled off her jeans and T-shirt exposing a lovely pair of small pert tits and a gorgeously naked fanny. I just lay there, enjoying the view, as Sam grabbed my wrists and sat down hard on the growing bulge in my trousers. She kissed me again and then lifted my head, pushing it towards her tits. I managed to get one nipple in my mouth and teased the tip with my tongue, before biting it gently.

Sam jerked her body away and tore at my trouser belt, roughly yanked down my jeans and reached into my pants for my cock. This girl didn't mess about! As soon as my dick sprang into view, she greedily plunged her mouth over the tip, then, frantically sucking, she swallowed down the shaft until I could feel it touch the back of her throat.

After a couple of minutes of her giving me head, I felt the familiar tightening of my balls, but I didn't want to cum just yet. I decided it was time to show her I had a few moves of my own and, gripping her shoulders, flipped her over onto her back, straddling her thighs as she hit the floor.

She growled at me in pretend anger, but grasped my prick in both hands and pushed it between her slightly parted thighs. I grasped her ankles and lifted them either side of my head as she stuffed my meat straight into her already dripping cunt. I thrust my entire length inside her, pinching both her nipples between my fingers and thumbs as she writhed and bucked onto my pumping shaft, moaning and groaning as she lost herself in our animal-like fucking.

"I stuffed my meat into her already dripping cunt"

I grabbed Sam's arse and stuffed her faster and deeper, while she slipped her hand down between us and started to frig her clit. This was the trigger for a climax that had her thrashing around on the floor. It was like riding a bucking bronco as she arched her back and ground her cunt against my pistoning dick, her nails digging almost painfully into my back as she squealed with pleasure.

Then, I knew it was too late to stop. I gripped her

buttocks hard as I squirted her full of my hot cream. Jets of my seed fired deep inside her tightening fanny, as her muscles squeezed every drop from my throbbing cock.

I collapsed back exhausted on the floor, but Sam continued to rub her clit and even poked a couple of fingers into her spunk-filled pussy until she started cumming again, while I watched, enjoying the sight.

We fucked most of the night and I was absolutely knackered the next day, but it was the best sex of my life. I can't wait for judo now as I know that after the sparring, Sam and I will be doing some different grappling of our own!

Blowjob Battle

My friend Siân fancies herself as a real sex goddess, like she invented fucking the first time she got laid. I should just ignore her and not let it bother me – I've had more compliments than complaints. But she knows exactly how to wind me up. We've had a couple of boyfriends in common, and one night she was boasting about one of them, Mark, saying how he'd told her she gave the best blowjobs he'd ever had.

"That may have been true at the time," I said. "But he dated me after he was with you, right?"

"We ended up kissing around his helmet..."

She said that made no difference and bet me £100 that she sucked cock better than I did, and there was only one way to find out. Not a fight, just by asking Mark! He said he couldn't remember – yeah, right. But we weren't letting him off lightly. We told him to come over and decide once and for all. And he wasn't going to say no to two women intent on giving his cock the best sucking ever, was he?

When he arrived, we all got naked. Mark had it all worked out – we'd each suck him for one minute stretches, swapping back and forth until he shot his load.

Whoever was sucking him when he came would be the winner.

I won the toss – no pun intended – to go first, and spent it wanking him to total hardness before handing over to Siân. She immediately straddled his face and started sucking him in a 69. "You cheating bitch!" I hissed, but she ignored me, and Mark was too busy sucking her snatch to take my side.

She stayed where she was when I took over, grinding her dripping hole against his mouth. In a way, she was helping me – Mark kept thrusting in time with her, each stroke getting him closer to cumming. But we kept on switching back and forth, Mark somehow managing to hold on to his load.

After about 10 minutes, while it was Siân's turn, I heard her moan, "Mmm!" She pulled her mouth off Mark's cock, then started flicking it with her tongue. He was already close and, as she got sucking again, I saw his shaft start to spasm. His nuts looked so full and ripe, and as Siân wasn't giving them any attention – in her position, I'd have been using my fingers to tease them – I bowed my head and started to lick them, sucking them into my mouth. Siân gave me a "Who's the cheating bitch now?" look, but didn't stop sucking Mark's prick, not even when her minute was up.

"My turn," I said, but she took no notice. When she paused for breath after sucking Mark deep, I brought my head up and started to lick him. Neither of us would let the other get in close enough to suck him, so we ended up kissing around his helmet, tongues tangling round until he spunked. Then our 'battle of the blowjobs' ended up

"...tongues tangling round until he spunked"

with the pair of us trying to swallow as much as we could of it.

Mark – Mr Fence-sitter – said we both give brilliant head and refused to say who'd won. Who cares anyway – the guy I'm seeing now loves how I suck him, and says Siân's not his type!

Strap-On Sally

I won't bore you with how I first met Mags, but we had a bit of a wait before we finally got together, so the anticipation was running pretty high!

My first thought when I arrived at hers was how slutty she looked, and how much it suited her! She had on high heels, a miniskirt short enough to flash her stocking tips, and a low-cut top at least two sizes too small.

One drink and a quick chat later, we were kissing and feeling up each other's curves as we undressed. She has bigger boobs than me, so I had fun playing with them, cupping them as I gently licked and nibbled her nipples to full stiffness.

She had a good feel of mine too, and my arse, but was obviously impatient to play with my pussy. So I spread slightly and let out a moan, coaxing her to slip her hand between my thighs.

I did the same to her – she was so slick and warm against my fingers. And soon I was tasting her for the first time, as we sixty-nined on her bed with me on top.

I love to be licked, and her tongue felt so amazing flicking my clit then pushing up my fuck-hole. My orgasm was building and from the noises Mags was making – and the pulsing of her pussy against my tongue – she wasn't far off either.

With my crotch planted over her face, I just had to splay to take her tongue as deep as I could as I came. Meanwhile, I saw her toes point and felt her legs stiffen, her thighs squeezing on either side of my head, pinning me where I was. Not that I minded having my face jammed in her snatch!

I already knew she was into toys so it wasn't a shock when she brought out a big strap-on, but that didn't stop a shiver of nerves and excitement going right through me.

She was chuffed that I was up for it – some girls said no or bottled it after saying yes, and when she asked could she do me from behind, I got on all fours with my arse tipped up ready for her.

She didn't just fuck me, she used it to excite me, playing it against my slit and sometimes barely thrusting in or giving me the whole length of it. Then, when I snatched a vibrator from her 'box of tricks' to use on my clit, she really gave me a good seeing-to, pummelling my flowing hole until I came, which only took a couple of minutes.

> **“Her tongue felt so amazing flicking my clit”**

Feeling self-conscious about how loud I was screaming, I buried my face in the pillow, but she grabbed the back of my hair and pulled it till I was moaning out loud again.

She gave me the best fucking I've ever had off a woman that night, and we're going to meet up again, at mine this time. I asked her will she bring the strap-on and she says “Yeah – so you can fuck me with it this time.” I can't wait!

Pleasure Beach

Recently my best friend Paula and her boyfriend John invited me to go on a surfing holiday down in Cornwall with them – it was only John who was into surfing, so I was mainly there to keep Paula company.

One morning I knocked on their bedroom door and asked if they wanted some coffee. Paula told me to come in – John had left the B&B at the crack of dawn so he could catch some early waves. Paula was complaining that she always woke up feeling cold when he wasn't there for her to snuggle up to. I agreed it was a little chilly, and she suggested I get into the bed while we drank our coffee.

We talked and laughed as we sipped it and made some fairly obvious wisecracks, then Paula asked me, seriously, if I'd ever done anything with another woman. I told her I'd gone to bed with a girl I'd known in college, but that I'd been a little drunk at the time.

> **"I humped my cunt against hers, hearing it slurp and squelch"**

When I asked her the same question she said she'd had a similar encounter, but that she hadn't liked it much. Then she added that she might have enjoyed it better if she'd been a little more sexually experienced at the time.

We both went quiet for a couple of seconds, as we thought about it all, then we turned to face each other and kissed. Paula seemed a little tense, but as we kissed more deeply and pulled each other close, her body seemed to relax.

We rolled over on the bed so I was on top of Paula, and I stroked her long hair and fanned it out all over the pillow. "So where do we go from here?" she whispered.

I kissed her again on her mouth, then nuzzled my face between her tits through her T-shirt.

Getting naked seemed the obvious thing to do, and so we helped each other out of our shirts and panties.

I usually keep my pussy shaved during the summer – it's cooler and looks better under a swimsuit – and Paula's eyes widened when she saw it. "Looks smart, doesn't it?" I said, straddling her body again so she could take a closer look. "It feels even better."

I raised her hand and gently stroked it over my labia, and she smiled up at me as her fingertips brushed my smooth skin. I spread my legs so my cunt lips parted, and Paula's fingers slipped in between them.

She was still a little cautious, so I took over, humping my cunt against hers, hearing it slurp and squelch as the juices ran out of it and down to soak Paula's hand.

I could have kept going until I came, but instead I turned around so we were in a sixty-nine. Paula's pussy was as wet as mine, though most of her juices had soaked into her full bush. I pushed my face in between her legs and inhaled her musky sex scent, then started to lap at her cunt.

Meanwhile I felt her take a few

experimental licks at my snatch, and so I thrust my bum back a fraction of an inch so it was right up against her mouth. As I had hoped she licked and sucked me harder, and I could feel the suction as she swallowed my cream. As I began to tongue-fuck her, jabbing in and out, she switched to sucking my clit, rasping her tongue against it.

We were both going for it really confidently now, and as I felt the first stirrings of an orgasm, I also felt Paula's pussy give tiny spasms. She must have felt it too, as she started to lick me even harder, and in less than a minute her cunt tightened around my tongue. I came just a few seconds later and then we lay down together, Paula slipping a hand between my thighs to cup my labia. She couldn't get enough of feeling my cunt up and she asked if I'd help her shave her own bush, as a surprise for John.

As it turned out he got even more of a surprise. The surf wasn't too good that morning, so he came back to the B&B to get some breakfast. I had just started shaving Paula's pussy when we heard him come in, and I just carried on.

When he walked into the bedroom he saw me crouching naked in between Paula's legs, with my bum thrust back and my open, suck-swollen cunt peeking out between my cheeks.Paula told him he could stay and watch us, and he did, beating his rock-hard meat all the while.

"My suck-swollen pussy peeked out"

He was so horny he looked like he might lose his load at any second, but he held himself back until I'd finished shaving Paula. I let him get in between her legs, but as he went to guide his cock inside of her cunt he came, splattering her fresh-shaved mound and pussy lips with a wad of gooey come.

I bowed my head and started to lap it up, and by the time I had savoured every drop, Paula was so turned on I had to start licking her wet cunt again. I took things slower this time, enjoying every shudder of her body as my tongue hit the spot. After a while I felt John's hand on my bum, and shortly after that the tip of his cock stroking over my pussy lips – he loved the silky feel of them as much as Paula did.

I moaned and smacked my lips and John took the hint, sinking his meat inside my cunt. He probed and ground it with his cock and I shoved back – Paula whimpering with pleasure as I sucked and pulled on her clit – until I came to my second orgasm that morning. When Paula and I had come John kept on fucking me hard, until he spunked up inside me.

We fucked and sucked our way through the rest of the holiday – John even missed a few surf sessions so he could join in, which Paula said was the biggest compliment he could have paid us!

MORE DIRTBAG NEXT ISSUE!

Interview

with a porn star!

We caught up with sexy model, Esther, and probed her gently about her sex life. And the dirty minx didn't disappoint!

You have that look of someone who's been up to something…
I had a shower just before I left for the shoot, that's all!

So what's that little smirk on your face all about then?
Okay, I'll admit it - I didn't have to scrub my own back!

Who did the honours?
A friend of mine, Louise, from my teens. She moved to London a few years back and we've stayed in touch, so when I knew I was coming down I asked her did she fancy meeting up.

And one thing led to another?
Yup - she said I could crash at hers and we'd make a weekend of it. I couldn't believe it when I saw her. She was this skinny little thing at school but now these curves and boobs have suddenly just appeared! And she's grown her hair and had it streaked blonde. We went clubbing and she wore this red minidress - and I couldn't stop staring at her.

So suddenly there's this spark between you both…
Yeah, but nothing happened till we got home. We were sharing her double bed, just as mates, and I said, "Nice tits, by the way." You know, just to give her a compliment. Next thing I know she's snuggled right up close to me, rubbing them against my back. Who cares that it wasn't exactly subtle…

What did you do?
I just rolled over and started snogging the face off her, and feeling up her tits. Next thing I know she's grabbing my hand and pulling it in between her legs - and she's soaking wet. I found it hard to build up enough friction with just my fingers, so I got one of my dildos out of my suitcase…

Do you take them everywhere you go?
At least one or two! Sometimes I pose with them for photos - or else they're great for giving me that sexed-up look. I like to look like I've just taken a length - my cunt all pink and moist and puffy and… well, just something about me, you know? I slipped the dildo in and started pumping it in and out of her and she's got her tongue halfway down my throat or else she's sucking on my tits…

Did you make her cum?
What do you reckon? She started fingering her own clit, so I got a vibrator out, too, and started using that on her. She went wild - her hips started bucking like it was all too much for her, but whenever I slacked off she'd moan for me to carry on. She was there on the bed, her back all arched, squeezing her own tits and pinching her nipples, and she wouldn't let me stop wanking her until she couldn't cum any more.

I hope she returned the favour…
That brings us to the shower! We just nipped in to freshen up together and it ended with Lou on her knees, sucking on my cunt. I had the back of her hair and I was shoving her face against my crotch - bad of me, but she seemed to get off on it… Let's just say I didn't need to use my toys to get that just-fucked looked for my pictures!

Well, that explains your smirking face…
Actually, I've been laughing at something else Lou did. While I was sorting through my outfits for the shoot, I found my dildo - and there's this massive lipstick mark about two inches from the base of it - the dirty slut must have deep-throated it to get it like that. Looks pretty horny, though…

LILLY

We knew we were onto a winner with Lilly when she shrugged out her F-cups and asked us if we wanted to have a feel. "Blokes are in love with my chest. And I'm in love with them caressing, sucking and fucking it!"

JENNA JAMESON'S UR3 ASS & PUSSY

We've all been there, ladies – your man stumbles in at a ridiculous hour, pissed as a fart, breathing alcohol all over you and then wonders why you're not up for a shag. Well, may we present you with your answer – your very own pornstar vagina! Now, I know what you're thinking, and yup, it is rather disgusting, but then I've learned sometimes it's just better to let them get on with it themselves. You can give it to him as an Xmas prezzie with conditions (he only gets to use it when you give permission), which will not only give you an alternative to the 'headache', but it will also make you the coolest missus ever. Disgusted by the thought you may be, but you may well come to love the 'spare pussy' – especially if it saves you from drunken groping! ***On sale now for only £101 from Sextoys.co.uk***

TICKLER VIBE WATERPROOF SILICONE MYSTIC TICKLER

I can't help thinking of cartoon snails when I look at this, and believe me when I say that I am not the green fingered sort of girl, nor the sort to watch kid's TV shows. However, despite my initial visual disturbances, the design of this is pretty much spot on. So much so, that this has become my new favourite toy! The two antennas nuzzle perfectly round (and over) your clit and the body gives off powerful vibrations to boost. No need to just concentrate on the clit either, where ever you move them to (nipples, arse, you name it), you will be rewarded. There are a few more brilliant new designed toys in this range, so log on to check 'em all out. ***Available from www.lovehoney.co.uk for just £24.99. Bargain!***

LYCRA FULL FACE HOOD

Beer goggles fallen off mid-action? It happens to the best of us and there is a solution if you want to finish off the job! Passion 8 bring you the full face hood from part of the Fetish Fantasy Series. It stretches fully over the face, covering up even the ugliest of munters. Although a hint of light does get through, so the wearer will not be totally oblivious to your, 'Oh my God what am I fucking?' expressions – you have been warned! For under £15, it's a good sex toy staple, especially if you're into this sort of thing. ***Available from www.passion8.com***

PUSSY PUMP

From vibes that look like snails to just plain horror, this month's bag of tricks has certainly left me wide eyed [Just eyed? - The Ed]! Be warned, I pumped a bit too hard on this one and nearly had to call my local GP to rescue me! Thank fuck all has returned to normal, but it has left me wondering whether to recommend this one to you girls. The vacuuming effect definitely increase sensitivity and sensation and got me squirting my socks off. But the way it makes your fanny look after, freaked me out and undid all that good work. For the brave only! ***Available from www.passion8.com for £19.99***

GUN OIL
FORCE RECON
2 oz / 59 mL

Gun Oil fuses silicone and water based lubes together in this weapons-grade reprise of a firm classic. Developed by marines for marines and now sold by sexperts for sex maniacs! As well as using it as a lubrication, I discovered it also doubles up as an amazingly slippery body oil, too! It really is too much fun to keep to yourself! To keep your very own solider on stiff guard and your pussy on patrol, I really can't recommend this lube highly enough. Make love not war, that's what I say! ***Available from www.lovehoney.co.uk for £12.99***

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

"My fantasy is to be caught naked in the bathroom by a load of horny builders. And it's not cups of tea they're after!"

True Con

Being caught wanking doesn't always have to end in shame. As Tanya discovers...

I'm in my final year at college, and my boyfriend and I share a big, two-bedroom flat with my mate Kirsten and her bloke. When the lads have a boys' night out, Kirsten and I are usually glad to see the back of them – we get to be as girlie as we like.

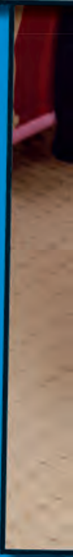
Last month, it dawned on us we'd got really lazy and hadn't been out clubbing since Christmas. We decided we'd do it, and to celebrate I bought a new black dress and high heeled boots.

> "Juice gushed from her hole as I licked her twat"

While Kirsten was in the shower, I tarted myself up in her full-length mirror, and liked what I saw. My dress was so tight and clingy, I had to wear a G-string underneath it. The mirror was angled, leant up against a wall, and when I shoved my hips forward I could see right up my skirt. Giggling to myself and feeling excited about the night ahead, I had a little fumble, stroking my pubes gently through the little silky triangle.

I suddenly noticed Kirsten in the doorway and blushed scarlet. There was a really awkward moment, then she stammered, "D-don't stop. You look… fantastic. Really sexy."

She let her bathrobe fall open and started groping her own tits. It all felt just a bit too weird, but I was getting little tingles in my pussy. I pulled my G-string to one side and started probing my slit with a finger. When it was coated with my cream, I pulled it out and took a lick.



Kirsten had one hand in between her legs now, and I asked her had she ever been with another girl. She shook her head and I said, "Me neither…" Then we just turned and looked at the bed.

Two minutes later we were under the sheets. It still felt weird – she was my mate as well as a girl, but once we'd got used to the idea, we just went with it.

Kirsten took the lead, kissing her way down from my mouth to my tits. My nipples went hard and tingly under her fingers and tongue, then her hands were everywhere, caressing my arse and hips, and smoothing my inner thighs apart. One last suck on my nipples, like she was psyching herself up, then she licked a trail down over my belly to my crotch.

Getting head from Kirsten felt so different to when my boyfriend went down. Her tongue was flitting over my clitoris like a butterfly, teasing rather than rasping me to excitement. Every time she paused

fessions!

for breath, I'd yell at her not to stop. Her fingers came into play too, inching into my hole to stroke my G-spot.

"She begged for a fuck"

"Oh fuck!" I moaned as my orgasm started to hit – the most incredible tightness in my pussy, followed by explosive rippling. I spread my legs wide as Kirsten lapped up my wetness. Her fingers found my clit as her tongue rammed up my hole, then flitted down to my arse crack to catch every stray drop of pussy juice.

Pineapple

She wasn't going to let me rest until she'd cum too. She grabbed my hand and pulled it in between her legs, and all my nerves vanished. I'd worried I wouldn't be able to bring her off, but it was easy. She used her hand to rub mine against her clit, just the way she liked it, and soon she was grinding hard on it.

She still wasn't finished. She begged me to lick her, and so I sat over her face as I buried my own between her legs. I used my lips and tongue to tease her clit out into the open, then sucked and lapped until her body was shivering and she sobbed in ecstasy.

Even when she came, the juices gushing out of her hole, she wanted me to carry on licking her. She was thrashing around but I hung onto her arse, steadying her to give her what she wanted. My own clit was starting to pulse again, but all it took was one gentle rub to get me off.

We stayed in bed as long as we dared, before putting on our trackies and going downstairs to wait for our blokes. When they got back, we told them we'd decided to give the clubbing a miss after all. It didn't occur to them that we'd been up to anything, although mine mentioned how juicy my pussy felt around his prick when we fucked later...

Razzle Rates... Euro Girls

We all have our favourite British porn stars, but how many Euro babes have you emptied your sack to lately? You know you're missing out, don't you? Razzle Rates introduces you to a select few of the sexiest hotties to come out of the EU...

Boroka

Who? Hungarian hottie who signed as Private's first sexclusive girl in February, 2008. The slim blonde might be only 5' 4", but we reckon she can hide about six feet of dick inside her.

What? Boroka reckons she's not a fan of anal sex, although that hasn't stopped her doing it in several films. So she's a game girl – she signed on to do her first scene while still a virgin, and only lost her virginity the night before shooting began. There's nothing like learning on the job.

Where? The winner of a Hungarian porno Oscar (why oh why don't Sky or the BBC televise these awards? Where's our licence fee going?) does one of her rare anals in Woodman Entertainment's *Perfectionist 2* and another in the big budget *Sex City 2* from Private. Also, we had her in our office once, and we would.

Angel Dark

Who? Beautiful brunette Angel Dark is our hit list's first Slovakian, and the 5' 9" star of the European sex scene is almost worth the trip to Bratislava on her own. Although she probably won't be there, as she'll be travelling around getting her bum stuffed with knobs.

What? Another star in the making discovered by the unerring eye of Pierre Woodman, Angel threw herself in at the deep end, her debut seeing her surrounded by a forest of angry cocks in Armageddon's *Blow Bang 7*. In 2007, she was nominated for AVN Female Performer of the Year. We'd have given it to her, if you know what we mean.

Where? We really recommend Platinum X's *Lusty Legs 4* and the intense interracial buggery of Evil Angel's *Black Pipe Layers 5*. Take our word for it, there's very little replacement of Victorian water mains going on in that last film.

Tarra White

Who? Hailing from Ostrava (the 'steel heart of the Czech republic', former Communist enclave fans) Tarra's 5' 7" and, although we're not exactly sure as to her actual boob size – she's had them 'renovated' and we haven't copped a feel yet – there's plenty of them to go around.

What? Tarra started in porn at 18, and soon started getting her pussy ploughed for Private, who eventually signed her to a contract. Her debut scene was shot in public in front of the University of Prague and her movies are studded with anal and double penetration scenes. If she had any more holes down there, she'd want them filled too.

Where? Tarra can be seen sunning her buns and having fun in many beach-bonings like *Private Tropical 34: Caribbean Sex Conspiracy*. If you're into Czech current affairs, she does nude newsreading for Czech TV Nova's *Red News*.

Niki Blond

Who? Niki Blond took her porno bow in 1999 at the age of 18 and has been a fixture in Europe ever since – just like nice weather and surly locals sniggering at our British ways. Stop the presses – she's not Czech. Nope, Niki hails from Hungary

What? Niki's appeal is that she looks like the kind of girl you could bend into all kinds of positions in the bedroom. A successful website with her partner and stud Renato proved she wasn't cock-shy,

NEXT ISSUE

taking his meat in every orifice going. A recent boob job hasn't dampened her appeal, though we would like to see her with a different dick. Ours are available.

Where? Turn the clock back for a rare DP in 2003's *Private Xtreme 9: Wet Young Bitches*.

Lilianne Tiger

Who? Whatever did we do for European fanny before the iron curtain came crashing down? Hairy French birds who use a hole in the floor as a toilet? Not likely. No, the collapse of Communism has given us a steady flow of Czech sluts like Liliane, a 35B-24-37 sort who's made over 150 films in five years since being spotted by – yes, Pierre Woodman.

What? You can tell from looking at her that she's an anal queen. The Prague sweetheart grabbed herself two nominations in the 2007 AVN Awards, for Female Foreign Performer of the Year and Best Foreign Sex Scene for a tryst with Rocco Siffredi. And you don't get nominations with Rocco unless you're an anal queen.

Where? Her career is smattered with spuzz-spattered titles from the likes of Private, Marc Dorcel and Evil Angel. She's at her intense best in 2005's *Rocco: Animal Trainer 18*. Someone get that girl a rubber cushion to sit on.

Stella

Who? One of those 'too hot for porn' chicks that come along once in a while. Born in Budapest, she signed a deal with 21sextury.com in 2005 and has been Club International regular girl for a while – we've wanked ourselves into a dessicated husk over her.

What? When her popularity took off, she got contracted up and switched to doing only girls. That would be very disappointing, of course, except those girls include Euro legends like Sandy, Sandra Shine and Anetta Keys.

Where? An anal plowing in *Pickup Lines 82*. And *Return of Sandy* where she goes cunt to cunt with the titular tart.
